Draft	8"
Max. HP	115

Standard Features Include:

- Self Bailing Cockpit
- Dry Storage Both Fore and Aft
- Wider, Completely Flush Gunwales and Aft Casting Deck
- Flow-Thru Livewell — No Pump Required!
- Flush, Molded-In Deck Hinges
- Klegecell® Foam Core Construction Throughout — Including The Transom
- Full Foam Floatation Throughout with Non-Absorptive Nitrogen Filled Closed Cell Urethane Foam

Here's a true tournament boat, ideal for fly casters and light tackle enthusiasts, with a large release well and completely flush gunwales and aft casting deck. The Tournament 16' can go into those shallow areas that other boats just can't get into, because it's smaller and lighter. Less weight makes the Tournament 16' easy to trailer, and gives you the option of selecting a more economical engine package.

Nearly effortless poling, high performance and economy make the Tournament 16' the choice of anglers who fish "off the beaten track."

- Closed Cell Foam Cushion Package
- Under Gunwale Rod Storage with Rod Tip Protection
- Bilge Pump with Automatic Switch
- Navigation Lights
- Teleflex, No Feed-Back Steering
- Center Console with Locking Door
- Fused Wiring Harness with Lighted Switch Panel
- Stainless Console Hand Holds
- 30 Gallon Fuel Tank
- The Famous Hewes Hull Design with "Super Dry" Lapstrake Reinforced Topsides
